2024/026 CHAIRMAN'S REPORT.

Cllr. Peake welcomed everyone to the 8th Annual Elector's Parish Meeting and thanked Elected Members past and present for their efforts and support over the past year.

She went on to give her report which briefly included the following;

- Originally part of Scarcliffe Parish Council, Langwith Parish Council was created in 2015 after many years of fighting/campaigning for Langwith to become a parish in its own right.

- Continue to fight for a cleaner village reporting any issues to the District Council as they arise and employing our own operatives to ensure our own areas are maintained well.
- Improved the planting scheme with pole planters around the parish which will be planted up each season.
- Improved on the Christmas lighting scheme and will continue to do so each year to cover more areas of the parish.
- New park equipment at Langwith Junction Recreation Ground.
- Venues continue to be used well but will look at improvements and promotion to increase usage.
- Events budget has allowed us to improve the range of events put on for the village. All were well received and well attended. Thanks were noted to Cllrs. Cartwright and Mather for their support at the events.
- Additional Commercial Events Budget allocated to stage ticketed events that can become self-sustaining.
- Joined Bolsover District Council’s Extreme Wheels scheme for providing activity during school holidays. First sessions were held during Easter holidays.
